UNI-HORN!

Make your own paper Unicorn Horn with Ears!

 You can start by coloring your horn and ears, then ask an adult to help you cut them out, and make the small holes for the string!

 Carefully roll the horn into a pointy tube and glue it together.

 Gently fold the ears down the middle.

 Attach string, through the holes, so that you can tie it to your head!

 Decorate them more, with glitter, stickers - whatever you want!

UNICORN POOP

(aka UNICORN SLIME)

NOT EDIBLE

DO NOT EAT!

INGREDIENTS:

-  1/2 cup white glue
-  1/2 cup foaming shaving cream
-  1/2 teaspoon borax powder
-  1 cup water
-  Blue, pink and yellow neon food coloring
-  You can add any kind of decorations such as glitter, beads, or anything fun you can think of to make your putty shine.

INSTRUCTIONS:

1. In a large bowl mix glue and shaving cream with a spoon.
2. In a separate bowl or cup, mix 1/2 teaspoon of borax in 1 cup of water. Stir until the borax is dissolved.
3. Add about a teaspoon of the borax and water mixture into the glue/shaving cream bowl and mix until the putty starts to form.
4. Knead with your hands and if it's too sticky, add a tiny bit more borax and water mixture. Feel free to repeat in small amounts until the putty is no longer sticky.
5. Once your unicorn poop recipe is ready, divide into 3 pieces.
6. Add a drop of blue food coloring to the first piece of slime and knead until the entire piece is blue. You can add your unicorn charms/ decorations at this time or wait until the end.
7. Repeat with the other two pieces of putty by adding one drop of pink and one drop of yellow to each of them separately.
8. When all three pieces are colored, add them together.
9. Gently knead the fluffy slime until you have a pretty mixture of the rainbow. If you haven't added your unicorn charms to your putty you can do so now.

#UnicornMovie

NOTES:

If you prefer not to use Borax to activate the slime, try to substitute with saline solution or laundry detergent. If you don't use Borax, do not use water and you may need to add baking soda to thicken the slime.

Rubber gloves recommended for **sensitive skin**.

Do not make if you have skin allergies to cleaning supplies, glue, food dye or shaving cream.

NOT FOR SMALL CHILDREN WITHOUT ADULT SUPERVISION

BABY UNICORN CHOW

WHAT YOU NEED:

-  1/2 cup each candy melts: orange, pink, purple, blue
-  2-4 Tablespoons shortening or coconut oil
-  1 1/3 powdered sugar
-  4 cups Chex Mix cereal
-  Unicorn magic (fun sprinkles or edible confetti.)

INSTRUCTIONS:

1. Place 1/2 cup of purple candy melts in a microwave-safe bowl and add 1/2 Tablespoon shortening.
2. Heat for 35 seconds, remove and stir. Reheat as necessary in 10 second spurts until no large pieces of the candies remain. Add in extra shortening to get a smooth texture.
3. Add 1 cup of Chex cereal to the melted candy melts, and stir until coated evenly.
4. Place 1/3 cup of powdered sugar in a ziplock bag and add in the candy-coated Chex cereal.
5. Seal the bag and shake, shake, shake to cover the cereal with the powdered sugar. It helps to dance around with the bag to make it extra tasty.
6. Pour the muddy buddies onto a baking tray in a thin layer and drizzle any remaining candy melts otop. Sprinkle with some unicorn magic (sprinkles).
7. Repeat with each desired color.
8. Let set for 30 minutes to dry completely.
9. Mix together and you've created a magical snack to munch on.

Post pictures of your magical snacks using **#UnicornMovie**
